

Quantity Estimation

Please do NOT use any external resources (e.g. internet, books, friends, etc.) besides whoever is in your chatroom. Your answers will NOT impact your bonus in any way.

Estimate the following quantities:

1. Number of miles from New York to Los Angeles
2. Average weight of an elephant
3. Number of U.S. states that border the Gulf of Mexico
4. Number of months per year residents of Tromsø, Norway go without seeing a sunset
5. Highest temperature (in degrees F) ever registered in the U.S.
