

Quantity Estimation

Please do NOT use any external resources (e.g. internet, books, friends, etc.) besides whoever is in your chatroom. Your answers will NOT impact your bonus in any way.

Estimate the following quantities:

1. Height of Mt. McKinley (in feet)
2. Percentage of the U.S. population that is Hispanic (according to 2008 census figures)
3. Median age in the U.S.
4. Number of countries in the United Nations
5. Percentage of U.S. adults that go online at least once per week
